

EASY STEPS WE ALL CAN TAKE TO KEEP EACH OTHER HEALTHY - YAY!

**BROUGHT TO YOU BY THE CANDY FACTORY
A COWORKING COMMUNITY THAT CARES**

We love you, and we don't want you to get sick. Heck, we don't want to get sick either. So, in addition to the daily cleaning we do each day, we've added some extra deep cleaning measures as suggested by the CDC and other health organizations. We also ask that you do your part to help keep our coworking family and community healthy. Need help, just ask. *We're here for you!*

DON'T BE A FOOL,
WASH YOUR HANDS

WASH YOUR HANDS

All the cool kids are doing it!

- Before, during, and after preparing food
- *Before eating food*
- Before and after treating a cut or wound
- *After using the toilet*
- After blowing your nose, coughing, or sneezing
- *After touching an animal, or animal waste*
- After touching garbage

**LET'S FACE THE TRUTH WHEN YOU'RE DANCING WITH YOURSELF,
AVOID TOUCHING EYES, NOSE, OR MOUTH WITH UNWASHED HANDS.**

DON'T TAKE A CHANCE ON ME

If you're feeling sick and have a fever, stay home and rest. ABBA would stay home and Dance like a Queen, count their Money, and call their friend Fernando. They won't have to SOS and because they took care of themselves they were the winners who took it all.

WE'RE
HALF WAY
THERE

WE CAN'T JUST LIVE ON A PRAYER

Don't take my hand and we'll make it I swear!
We're using bleach solutions, sanitizers and disinfectant wipes on all surfaces, iPads, handles and more throughout the day.

STOP - CAN'T TOUCH THIS

Break it down and keep your hands to yourself
No need to shake my hand, just go with the flow and let us break it down. Do the bump, we mean the elbow bump, bow or dance baby dance.

We might like you, but sorry - can't touch this.

**TISSUE - THERE YOU ARE!
I'VE BEEN LOOKING
EVERYWHERE FOR YOU!**

You'll find boxes of them all over our space. Use them when you sneeze, cough or blow your nose. Use, toss, wash!
Can't find one? Go for the elbow.

WE ALL THANK YOU

You don't really
want to hurt me...
so wash your
hands!

Thank you for
being a friend
and keeping us
all healthy!

Remember kids, we
have to work as a team.
Now we know, and
knowing is half the
battle.
